It's a multitude of angels

Now every one of us was made to suffer,
Every one of us was made to weep,

Lift me up and take me back,
Don't let me keep on walking ...
I can't keep on walking on ...
Keep on walking on broken glass.

Verse 2

I may be mad, I may be blind,
I may be viciously unkind,
But I can still read what you're thinking.
And I've heard it said too many times
That you'd be better off,
Besides, why can't you see this boat is sinking?

Let's go down to the water's edge
And we can cast away those doubts,
Some things are better left unsaid,
But they still turn me inside out.
Turning inside out ... turning inside out.
